DIRECTOR'S NOTE

A time to reflect

As the calendar year comes to a close let's take some time to reflect on the past few months. Super challenging for sure! I bet most of us have reacted like entrepreneurs – with plenty of perseverance and drive. Try to stay positive as the vaccine light is certainly within view (with the help of a Cornellian!).

We hope you enjoy a safe, albeit hunkered down, winter holiday season!

-Zach Shulman ’87, JD’90
Director, Entrepreneurship at Cornell
