Name	Sarah Mousa
Job Title	Founder & CEO
Company	Shamsina
	<p>Sarah Mousa is the founder of Shamsina, an Egypt-based social enterprise providing access to locally-manufactured solar water heaters for energy poor households. Sitting at the intersection of climate, poverty alleviation, and economic development, Shamsina works closely with government and nonprofit stakeholders to scale clean energy access. Sarah previously consulted at Boston Consulting Group and currently advises global governments and social sector organizations on evidence-driven policy solutions. She holds an MPP from Harvard Kennedy School and BA from Princeton University.</p>
